ST. MARY'S PARK IMPROVEMENT CLUB

1993

Hi neighbors, The next meeting of our club will be held, Tuesday, Oct. 12, at 7:30 PM, in St. Mary's Park Recreation Center, Murray and Justin Drive. All are welcome to attend.

1. Halloween is Oct. 31. Please put your porch light on if you are welcoming the trick or treaters. Drive carefully since most of the children will be in costume and wearing face masks which will impair their vision especially at night. The use of a flashlight would be of great help climbing stairs and crossing streets.

2. REMINDER - Daylight Saving Time ends Oct. 31, at 2 AM. Now you get to set your clocks back one hour and maybe get an extra hour of sleep that you lost in April of this year.

3. Those Libras and Scorpios celebrating Birthdays or Anniversaries, this month, are wished much happiness and joy for these important events. Birthstone-Opal Flower-Calendula

4. IMPORTANT-Don't forget to vote on Nov. 2, 1993. Remember this:- A vote is ~~terrible~~ thing to waste. If you vote you "Let your voice be heard", no matter which way or what you vote for.

5. Party Time: Teacher: "Helen, what are the three great American parties?". Helen: "Democratic, Republicans and Tupperware".

6. Happy "Mother-in-Law Day" to all the mother-in-laws living in the Park. This Special Day is celebrated on Oct. 24.

7. Safe House Section: more information and pointers for everyone on basic ways to protect your home.

(a) Look over the doors and windows to make sure they are all functioning and in good repair. Check to see that window frames are not warped or weathered.

(b) Install dead bolts on doors and be sure to use them.

(c) If you have an alarm system, use it.

(d) Be sure to re-key all locks as soon as you move in, previous tenants may have kept keys.

8. Remember that the 1st of Oct. the S.F. Muni plans to install the program of issuing no transfers. What next?

9. Pretty Flowers - How to care for them after all your hard work in the garden area:

1. Always cut the flowers from the plant in the morning when and while the weather is cool.

2. Prior to putting the flowers in a vase, cut at least one inch from the bottom of the stem to allow water to flow more freely into the stems.

3. Add some 7-UP to the water. You're not the only one that likes a little sugar boost now and then. The energy from the sugar will help the blooms last longer.

4. Change water and 7-UP daily if you can.

5. Keep the flowers out of direct sunlight after cutting and when they are placed in your home.

10. Good news, for those members who do not like to lick postage stamps: The US Post Office has or will be issuing the following "Self Adhesive" stamps for use on your mail, as noted below:

29¢ Red Squirrel stamp - issued 6/25/93 - Panes of 18 - \$5.22

29¢ Rose (flower) stamp - issued 8/19/93 - Panes of 18 - \$5.22

29¢ Christmas Stamp - to be issued 10/28/93 - Panes of 12 - \$1.44

29¢ Eagle & Shield Stamp - on sale now - Panes of 17 - \$4.96

11. Only Human

There is so much good in the worst of us,
And so much bad in the best of us,
That it ill behoves any of us

There is so much good in the worst of us,
And so much bad in the best of us,
That it ill behoves any of us

To find fault with the rest of us. Author Unknown

Children's section: Ans. to Sept. ? Your feet off the floor
What is the one thing everybody in the world is doing at the
same time? Answer next month

HANDY HINT: To keep grass and dirt from clinging to golf shoes, squirt liquid vegetable cooking spray on the bottom. To remove grass stains from clothes: spot treat the stain with a shampoo made for oily hair.

Monthly Quote: When you're in a jam, a good friend will bring you bread and peanut butter.

Herb Smith, President

Florence Kolos, Secretary

ST. MARY'S PARK IMPROVEMENT CLUB

PARK  BELL

1991

INSIDE EDITION

ST. MARY'S PARK OCTOBER 1993

12. It is with regret that we announce the death of two of our members. Harold E. Woodward, lived at 244 Murray St. from 1947 to 1993. He and his daughter, Shelia, did a magic show at one of our meetings several years ago. It was enjoyed by the attending members. Gary Boyer, lived in the 200 block of Justin Dr. He lived in the Park for only a few years. He was the one that gave the Club a copy of the artist's drawing of St. Mary's College that once stood on the land where our homes are now built. The September meeting was dedicated to their memory.

13. The school is now saving SAFEWAY cash register receipts again. The Safeway receipts are saved to secure computers and computer components. To clarify what is collectible regarding Campbell's Products, below is listed the items that are acceptable:

Campbell's Canned & Frozen Products	Franco American Products
Swanson Canned & Frozen Products	Prego Spaghetti Sauce
Pepperidge Farm Bakery & Frozen Products	Vlasic Pickles
Le Menu Frozen Dinners	Campbell's Cup Instant Soups
V-8 Vegetable Juices	Marie's Dressings, Dip & Glazes
Betis Olive Oil	Sanwa Dry Soups
Caserit Frozen Foods	Early California Olives
Mrs Paul Frozen Foods	Open Pit BBQ Sauce

14. It has been brought to our attention about children playing on the grassy island on Benton Ave. It is nice to see children playing on this island providing they do not destroy any plants, trees, flowers or sprinkler heads. It does take a great deal of time and volunteer work to maintain this beautiful area of the Park.

15. It sure was great to see a crew of neighbors working on the Island in the 400 block of College Ave. When the work is finished, this island will look like the island in the 500 block of College. A beautiful job, by beautiful people for a very beautiful area of San Francisco. Good Old St. Mary's Park Team Work. Many, many thanks to all of you! This mighty crew consisted of:

Joe Guinasso Jeff Milla Bill Fossett Pete Gallegos

Mike Hovland Dominic Massoni

COMING EVENTS

- 16. Nov. meeting: Nominating Committee for 1994 Officers
- Nov. meeting: Date for Santa's visit to the Park-Dec. 1993
- Nov. meeting: Question about Installation Dinner, Dance
to be held in January 1994
- Nov. meeting: Plans for collecting Park Dues for 1994.

17. Teacher: "What is the chemical formula for water?".
 Student: "H,I,J,K,L,M,N,O."
 Teacher: "May I ask what that is?".
 Student: "That's what you said it as last week-H to O."
 18. Does anyone know of a company or firm that is willing to offer our club a grant of about \$500.00 for the purpose of purchasing and manufacturing a patch for use in connection with our Club? This patch could be sewed on caps, sweaters, shirts or coats or jackets. Please advise if you have any information on this matter. Herb Smith 587-0722.
 19. CLIP SECTION: (Crime Listings in Park) Nothing to report up to the date of preparing this bulletin for printing.
 20. SOMETHING BEAUTIFUL
 There are negative words
 That are harmful,
 There are positive words
 That are good,
 There are false words
 That we shouldn't utter
 And helpful words
 That we should;
 For a costly gem
 Or a lovely bouquet.
 Perhaps we cannot pay,
 But we can express a beautiful thought
 To the heart of a friend today.
 21. For your information: Advertiser Change
 Castro's Multi-Services, 3136 Mission St., is now closed.
 All business is being conducted at Castro's 2517 Mission St.
 Telephone number is: (415) 206-0600. They are no longer in the insurance business but specialize in Weddings.
 22. Troublesome Silence - MOSQUITOES are like little boys -
 When they stop making noise, you know they're into something.
 23. Another Monthly Quote: God give us the ingredients for our daily bread -- but He expects us to bake it.
 24. Doctor: "Have I kept you waiting long?". Patient: "Well, I did just happen to notice that there are exactly 3,692 polka dots on your wallpaper in this room."
 25. HANDY HINT: If you're replacing light bulbs in outdoor fixtures, coat their bottoms with WD 40 so they won't freeze.
 26. NEIGHBORS - a nine letter word no one should be without.
